About Free Speech For People

Free Speech For People is a national non-partisan campaign working to restore democracy to the people and to ensure that people, not corporations, govern in America. We are joined by tens of thousands of people across the United States.

We transcend political and ideological lines. This is a truly American campaign. This is not Democrat versus Republican versus Independent. Our campaign is about the voice of the American people versus unchecked corporate power. Support for the passage of a constitutional amendment crosses party lines:

Three Key Points

- The US Supreme Court's ruling in *Citizens United v. Federal Election Commission* is a direct threat to the future of our democracy.
- Corporations are NOT people. They are entities created by the laws of states and nations.
- We call upon the United States Congress to pass and send to the states for ratification a constitutional amendment to reverse the Supreme Court's ruling in *Citizens United v. Federal Election Commission* and to restore constitutional rights and fair elections to the people.
